

# Central Coast Salmon Enhancement

## Fish Adventures

July 6-10

### Reelin' in the fun!

Fish are a great way to learn about our creeks, lakes, watersheds, conservation and more! Fish Adventures will include learning the life cycle of salmon and trout, exploring their habitat and the food chain, making fish prints, learning about fishing and conservation. Plus lots of hands-on fun!

## Eco Camp

July 27-31

### Reduce, Reuse, Recycle, Rethink!!

Since children inherit the Earth, it's never too early to make them eco-conscious. Campers will learn the importance of the 4 R's, discover things they can do to help our planet, take home cool stuff the whole family can enjoy and learn from, and will have a great time.

### Day Camps Include:

- Walking Field Trip to Arroyo Grande Creek
- Field Trip to Lopez Lake and the Waterslides
- Snacks
- Great Crafts
- Games

### General Information:
